**KING DAVID'S WARRIORS**

# A legacy beyond *championships.*

## King David's Heritage

**A PRIVATE INVITATION**

To major American sports team owners, benefactors and collectors.

JERUSALEM / FAITH / COURAGE / UNITY

01 / THE INVITATION

# Great teams inspire millions.
# *Great legacies endure.*

**Dear Esteemed Team Owners,**
**Benefactors and Collectors,**

Great sports franchises create champions, inspire millions, and establish legacies that endure for generations. We invite you to consider an extraordinary opportunity to unite your team's winning spirit with the sacred heritage of King David, the legendary warrior, leader, and King of Israel.

The Mount Zion Foundation of Jerusalem presents three opportunities centered on King David's Heritage: the Rothschild tapestry, a lasting family or franchise legacy, and the inspiration of King David's Warriors.

*Faith. Courage. Unity.*

01 / THE INVITATION - CONTINUED

# Treasured heritage.
## *Thoughtful stewardship.*

At their heart is a collection of treasured artifacts traditionally associated with King David's Royal Tomb Complex on Holy Mount Zion. Their beauty, stories and spiritual meaning invite thoughtful stewardship and a new generation of connection.

Your participation could bring these ideas together: preserving a cherished heritage, inspiring your players and supporters, and associating your family or franchise with Jerusalem's sacred history.

We would welcome the privilege of presenting this opportunity to you personally and confidentially, with photographs, historical background and details of the collection.

With blessings and sincere respect,

*Rabbi G. Goldstein*
King David's Warriors

02 / HOLY MOUNT ZION

# A place of faith.
## *A story entrusted to generations.*

The collection is presented in association with the Royal Tomb Complex traditionally revered as King David's resting place on Mount Zion in Jerusalem.

## Faith. Unity. Peace.

The Foundation's account describes a heritage shared through generations of Jewish and Arab custodians of Mount Zion. Preserving its stories can offer a meaningful expression of respect, continuity and common purpose.

03 / THE ROTHSCHILD TAPESTRY

# A treasure of faith *and blessings.*

Baron Edmond de Rothschild Aubusson tapestry, as identified in the Foundation's heritage brochure.

## The history

The source brochure identifies the tapestry as a gift from Baron Edmond de Rothschild and associates it with King David's Upper Tomb Monument, where it is said to have remained from the 1880s until 1948.

03 / THE TAPESTRY - ITS TRADITION

# The tradition *of blessing.*

A closer look at the tapestry's floral artistry.

In the tradition of *segula*, such objects are cherished as symbols of blessing, protection, tranquility and hope. For a collector, the tapestry brings together floral artistry, sacred tradition and an enduring story.

# Preserve a treasure. *Share its meaning.*

A family name. A loved one honored.
A heritage carried forward.

## A distinguished patronage

Explore an exhibit bearing your family or franchise name, or a dedication in memory of someone you love. Shape a setting where visitors can learn, reflect and connect.

## A lasting purpose

Your patronage could advance the Foundation's preservation mission. Exhibit scope, location, naming and stewardship would be developed together through a private conversation.

05 / KING DAVID'S WARRIORS

# Courage. Loyalty.
# *A higher purpose.*

The original Tapestry Guardian artwork: mascot, primary logo and floral crest.

## A spirit your team can share

King David's legendary warriors exemplified courage, determination, loyalty and unity. The crowned-lion mascot gives those values a contemporary expression, with floral armor inspired by the tapestry.

Explore an artifact for a place of reflection, a heritage-inspired franchise symbol or a mascot collaboration. Let the story invite players and supporters to pursue victory with character and purpose.

06 / THREE PATHS TO PARTICIPATION
